have the prel. estimate and it is no wonder that the Mil council plead inability to finance the project Nothing can be done for this town till the war is over and perhaps for some years after that. Then we shall have to improve the water supply in the town and sink more wells is a urgent necessity. The water supply project may lie over for the present and the chief Engineer communication needed.

Rev 287-11-TK 1067

Mysore Public Works Department,

Central Office,

Dated Bangalore, 16th August 1918.

REV. SECRETARIAT I REVENUE 23 AUG 1918 No. 9919 E/

From

S. Cadambi, Esq.,

Chief Engineer of Mysore,

Bangalore

12734

To

B. Ramaswamaiya, Esq., B.A., B.L.,

Secretary to Government,

Revenue Department,

Bangalore

Sir,

I have the honour to state that in G.O. No. 9514-6/M1.287-11-3 dated 30th June 1916, administrative sanction was accorded to a preliminary estimate amounting to Rs 57,000 for water supply to Shikarpur town and a detailed scheme was ordered to be prepared.

2. Accordingly, a detailed estimate amounting to Rs 1,26,000 was forwarded to the President of the Municipalities, Shimoga District, for countersignature. That officer has replied to say that the execution of the estimate may be deferred for the present, as the cost is prohibitive. They propose to afford water facility to the public by sinking 8 wells. A copy of the resolution is herein enclosed.

3. Under these circumstances, I request that orders of Government may be obtained to record the estimate for the present. The Municipality may be permitted to sink more wells.

I have the honour to be,

Sir,

Your most obedient servant,

For Chief Engineer of Mysore.

V.W.S.
